

**Psalm 67 (All The Peoples) (Key of D)**

*Intro: G Bm G D G Bm A*

*G Bm G D*  
May God be gracious to you, and heal you with his blessings

*G Bm A*  
And may you find His face to shine

*G Bm G D*  
Oh, we would be such self-centered fools to grab what He's been giving

*G A D A*  
And not tell the world Who gave us this life

*D A Em G D A Em G*  
Let all the peoples praise you, o God; Let all the people praise Your name

*D A Em G D A Em Em A*  
Let all the peoples praise you, o God; Let all the people praise Your name

*G Bm G D*  
And may we sing to show our joy and the myst'ry of our Savior

*G Bm A*  
A God of justice, wisdom, and peace

*G Bm G D*  
So now I long to hear your voice, to join with all the nations

*G A D A*  
Lift up your eyes to that heavenly feast

*D A Em G D A Em G*  
Let all the peoples praise you, o God; Let all the people praise Your name

*D A Em G D A Em G*  
Let all the peoples praise you, o God; Let all the people praise Your name
